

HOW

CARTOONS !!

SAVED MY BUSINESS

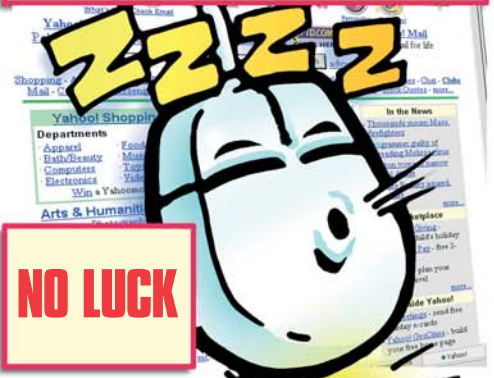

...THE TALE OF BERT WIDGET...

Bert Widget was worried...

**Business was slow.
Orders were few and far between...
...money was tight...
...and he'd got a funny little rash... tough times.
Bert decided to advertise.**

Bert put his widgets online...

NO LUCK

Bert tried the proverbial tee shirt

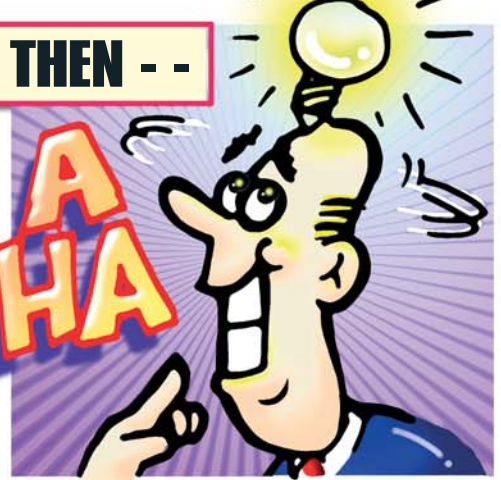

**but got no new orders.
Bert got more and more desperate.**

THEN --

A HA

FANTASTIC!

Bert commissioned some fun cartoons from DFDesign. His adverts looked much better. From then on Bert's only trouble was keeping up with all the new orders. Well, that and his funny little rash - but that's another story!

CARTOONS CAN BE VERY EFFECTIVE

AND MAY BE CHEAPER THAN YOU THINK!
